MEMORIES

PRESENTED BY THE STUDENTS OF THE

1939

MARPLE-NEWTOWN HIGH SCHOOL, LARCHMONT, PA.

Mr. Harry R. Harvey

DEDICATION

TO HARRY R. HARVEY, WHOSE UNDERSTANDING SYMPATHY AND
GOOD COUNSEL HAVE BEEN DEDICATED TO US DURING OUR HIGH
SCHOOL YEARS, WE, THE SENIOR CLASS OF THE MARPLE-NEW-
TOWN HIGH SCHOOL, DEDICATE THIS BOOK, "MEMORIES OF NINE-
TEEN HUNDRED AND THIRTY-NINE."

Mr. Jay W. Worrall

To the Class of 1939:

Each June when I see the members of another graduating class of the Marple-Newtown High School sitting on the platform ready to receive their diplomas, there comes to me a sense of deep satisfaction. This is caused by the realization that here is a group of young people who have persisted through a period of twelve years in carrying on a project to a logical conclusion—they have not wavered and fallen by the wayside.

May you of the Class of 1939 carry on this ideal of perseverance to the very end of your careers. Always remember that time and again you will be confronted with what may seem to be insurmountable difficulties, but what in reality will turn out to be merely imaginary obstacles when you whole-heartedly attack them. Furthermore, ropes are only thrown to those who are struggling out in the stream and not to those who are standing safely on the bank. In other words, there is often more help available than we are able to see.

Keep up your habit of perseverance, do not be afraid to try, and you will have made a good start along the road of success.

Your sincere friend,

JAY W. WORRALL.

FOREWORD

*“ . . . We should make our lives sublime,
And departing, leave behind us footprints on the
sands of time.”*

IN THE book, “MEMORIES OF '39”, we have endeavored to reflect the spirit of Marple-Newtown in its various activities. It has been the policy of the Seniors to present the book, through the media of pictures, write-ups, and messages, as an everlasting storehouse of school-day reflections, and as a symbol toward which undergraduates may strive and presently surpass. The progress of youth has no end. It is with this thought in mind that we say, “Ending, but beginning.”

MAURICE J. BATTIN, JR.

October 13, 1920

West Chester, Pa.

GENERAL

AMBITION: Chemical Engineer.

Here he is, girls, Marple-Newtown's gift to the ladies. Don't you think he is cute with his dimples? "John" is one of those happy-go-lucky fellows who is always ready to drop his lessons and fly to the aid of a maiden in distress, or linger in the halls with a group of funmakers. He has many friends and we know he'll never be lonely in the future.

GENERAL

AMBITION: Kindergarten Teacher.

Priscilla, known to most of her friends as "Prissie," is usually seen arriving at one minute of nine. "Pris," we can safely say, is one of the quietest girls in the Senior Class. ANNETTE LOUISE COLLIER

September 5, 1921

Brunswick, Ga.

GENERAL

AMBITION: Opera Star.

Louise's charm certainly makes the boys sit up and take notice, yet loyalty to one particular boy is not her idea of having a boy friend.

"BROADY"

"M.-N. did little note nor will they long remember what he said here but it can NEVER forget what he did here."

Eddie, as a boy of fourteen, had dreamed of the day when his name might be placed in MEMORIES beside other Marple-Newtown great athletes. Unfortunately, in the fall of 1934 an automobile accident brought permanent tragedy to his cherished athletic career. "Broady's" hopes were gone but his ambition still remained; therefore, he turned his thoughts toward a new field of service. During four short years he has tirelessly served coach and athlete alike as manager and confidant. Honest, trustworthy, dependable and above all, possessing ability to take as well as give, are just a few of the qualities that will take him far in the world of today.

Coaches, players, and spectators are saying, "What shall we do next year without him?"

These few words are written as a lasting tribute to "Broady" so that he will know his hours of faithful service were not performed in vain.

P R E S E N T A T I O N

THROUGH the untiring efforts of the class, splendid responsiveness of the people of our community towards the Chicken Supper, and the financial assistance of the Classes of '28 and '29, we had installed as a gift to the school auditorium, blue velour curtains and additional lighting facilities to be used for school activities. We look with pride at the new appearance of our stage and hope that other classes might see fit to add to what we of '28, '29 and '39 have begun.

CLASS WILL

WE, THE Class of 1939 of Marple-Newtown High School, being sound in mind, having memory, understanding, and generous heart, do make and publish our last will and testament, bestowing all our entire earthly possessions as hereinafter stated:

Mauriee Battin's "pull" with Mr. Harvey goes to "Happy" Watson. Take it easy, "Hap." "Prissy" Bowers presents with pleasure her unfinished story, "The House of Seven Gables," to the Junior Class.

Eddie Broadbelt bestows his managing ability to whoever thinks he can do it.

Marge Burgess leaves her jitterbug step to Susan Bostiek. Swing, sister, swing!

Bertha Clark's "come hither" look goes to Henry Rieh.

Bill Clements leaves his untrue alibis to the Junior girls.

Louise Collier entrusts all her boy friends to Helen Crouthers.

All of Bert DiBonaventura's love to Mary Wenger.

Doris Fliteraft gladly wills her shorthand books to Mildred MacDonald.

Jimmy Gallagher's wit and humor is granted to Bob Doughten. Strictly parlor jokes, please.

Ed Grey gives up his knowledge of the political world to Bill Stroud.

Eleanor Gorman's "heavenly gaze" goes to next year's stenogs. Girls, you need it!

Louise Harvey bequeathes her good nature to "Burp" Noreini.

Anne Hovell's oratorical power is left to "Franny" Talbot.

Eleanor Hunter's ability to get along with the opposite sex goes to "Ed" Wilson.

Mary Klodarska leaves her ealtness to Jessiea Bowers and Marie Mangold.

Tommy Loomis forwards his "lumbering ways" to Michael Malloy.

Margaret McLaughlin leaves her graceful touch on the piano to Lloyd Gorman. You'll have to file your nails now, Lloyd.

Don MeWade leaves his easy-going ways to Frank Manton.

JUNIORS

THE Junior Class started off this year with an enrollment of thirty-eight members, five of whom have left our ranks during the year.

In November the class showed their skill in salesmanship by putting on a magazine drive in which the Juniors were the victors over the Seniors. The Junior treasury was also enriched by the sale of Pepsals.

The class is well represented in all sports and should provide a good nucleus for next year's teams.

Various members of the class are contributing editorials and school news to our Junior paper, the "Junior Mar-News" which we hope will be a success.

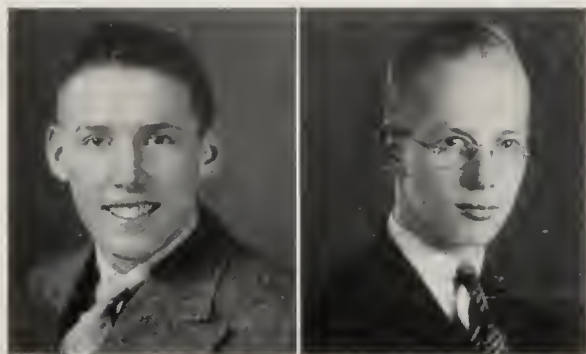

Although as a group we have not had many projects, members of the class have taken active parts in the various school organizations, particularly plays and operettas, and made out quite well in interclass sports.

The class rings which were purchased this year were of a beautiful new design.

We hope our biggest event of the year to be the Junior Prom, which will be held early in June.

SOPHOMORES

THE Sophomore Class has enjoyed a year of varied activities.

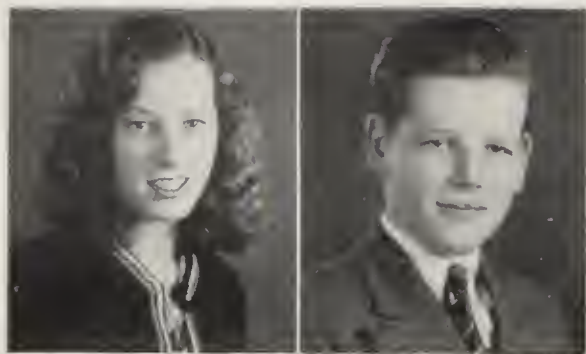

A gay Hallowe'en doggie roast in O'Neill's woods proved to be a rather smoky but thoroughly enjoyable affair.

Christmas was celebrated with a hilarious party at which humorous gifts were exchanged, much to the merriment of everyone.

A system of Student Government has been inaugurated with pleasing results. The entire class, under the direction of the officers whom they have elected, has cooperated in an effort to produce a model class.

FRESHMAN

THE Freshman Class entered the '39 year as meek and shy little fellows but rapidly learned the grown-up ways of the high school.

Their first attempt was a Hallowe'en Party given in the gymnasium. Games were played, and a good time was had by all.

In December, along with the rest of the high school, the Commercial Class fixed a Christmas tree in their room and exchanged presents. The Academic and General students held a party in Miss Decker's room.

EIGHTH GRADE

THE eighth grade activities have been a booming success this year. We are progressing very rapidly and we all have had a grand time. We are sure we couldn't have had so much pleasure without our club organizations. Early in the year we elected class officers for our Nature Study Club. We gave a little play in assembly which we composed ourselves. The latter part of the year we have had homeroom clubs, which as usual, have been carried on through each year. The "Tom Sawyer" play is just around the corner—May 26, 1939. The money received will be given to the Athletic Council. The Junior High School bake was a great success. We received seventy-five dollars for the Athletic Association, thanks to everyone who helped in any way. We have had a few class parties, all of which afforded us good times.

We hope we may keep up the good work through high school and graduate with as high honors as have the Seniors of '39.

SEVENTH GRADE

THE most progressive step taken by our class has been the organization of the Nature Study Club. This club was organized in October for the purpose of creating interest in outdoor life. In February the club paid a visit to the Academy of Natural Science in Philadelphia. In addition to trips like this the activities include Nature hikes, picnics, and lectures on Nature topics. Not long ago the club sponsored a bird house contest.

Both sections of the seventh grade have been working on plays. The 7A play is entitled, "The Pig Prince," and the 7B play is called, "The Circus Cinderella." Both plays are very interesting and enjoyable.

Our first year in Junior High School has been a great success and I know we can make it even better next year, so come on, you seventh graders, we're out to accomplish something!

CLASS PROPHECY

TIME: 1944

SCENE: The County Blabber

PERSONS OF PLAY: *Editor*, Edmund Broadbelt

Stenographer, Mary Semerjian

In his well-known, blustering manner the Editor dictated and conversed with his stenographer, Mary Semerjian.

EDDIE: "Take this down, Miss Semerjian. Dave Neff has just been appointed to the position of Business Manager of Philadelphia, with Bert DiBonaventura as his able First Lieutenant"

MARY: "I'm sure he'll make a good job of it."

EDDIE: "What do you think of this? Louise Harvey, the Broadway Comedienne, is back from her trip abroad, with her ever-faithful secretary and adviser, Lorraine Stott."

MARY: "I thought those two would stick together. But have you heard the news about the sign in Brookthorpe Hills being changed from Gallagher Homes to Gallagher and Son Homes?"

EDDIE: "That's fine, but have you heard about Bertha Clark's signing a life contract to a certain alumnus?"

MARY: "Yes, and I also heard that Ed Grey and Harry Pierce have finished their courses in Aeronautics and Uncle Sam has them on the reserve list."

EDDIE: "Yes, but this scoop is better. Bill Clements has just finished his latest picture, 'Romeo and Juliet,' with Twentieth Century Fox."

MARY: "This is funny. When you hear it you'll die laughing! Anne Hovell and Louise Collier have been storming Nelson Eddy's stage door for five straight seasons, but each time Mrs. Eddy appears with a rolling pin and a scowl and that soon chases ardent admirers"

EDDIE: "Well, this is funnier yet. Tom Loomis and Donald McWade have been studying to be 'Vets.' And the other day they treated a horse with the heaves for the colic, and they wonder why we call them 'quacks.'"

MARY: "Did you notice the new homes going up on Line Road? I hear Harold Niemeyer is building one hundred and fifty of them. He is certainly giving Gallagher competition."

EDDIE: "But how about Marjorie Burgess? She just finished her course in Dramatics at State, and I also heard that she has cheered many teams to victory."

MARY: "And her pal, Margaret McLaughlin, has just become a trained nurse and is now training to be an air hostess."

EDDIE: "Not so long ago I heard that Mary Klodarska went to Holland to visit her Dutch correspondent. Lillian Wilds went with her, too."

MARY: "Did you hear about the new dancing school that Eleanore Gorman and Mary Reburn have opened up on Chestnut Street? They already have twenty pupils."

EDDIE: "Ruth Samworth and Priscilla Bowers are music and kindergarten teachers in Frances Powell's 'School for Little Tots.'"

MARY: "Eleanor Hunter, I have heard, is giving Eleanor Powell very stiff competition."

EDDIE: "The funniest of them all is Maurice Battin. He is head trainer for clowns in the new Barnum Bailey Circus. Some fun! Roland Wallace is still dreaming about the sea. Maybe some day he'll be a second Captain Kidd or something."

MARY: "Have you heard about Becky Reed's promotion to head nurse at the Philadelphia Children's Home?"

EDDIE: "Yes, and I also heard that Doris Flitcraft has become private secretary to the president of the Penn Mutual Life Insurance Company."

MARY: "Listen to this news, Betty Murray has been hired as secretary to a certain young man."

EDDIE: "Yes, and Emma Price sure has made a big hit since she has been with Benny Goodman."

MARY: "It's five o'clock and time to call it a day. Besides you are getting company. Here is Jimmy Toms, the high-pressure auto salesman to sell you a new car. Why is it that when we get together we always forget work to reminisce of M.-N.?"

ACTIVITIES

"Try It With Alice"

ON FEBRUARY 2nd, Marple-Newtown High School presented its annual play, "Try It With Alice." This play was under the direction of Mr. Frederick Brown. Betty Murray was the efficient property manager.

"Try It With Alice" turned out to be very successful and entertaining. The Seniors who took part in this play and who showed much talent were: Jimmie Toms, Marjorie Burgess, Eleanor Hunter, Edmund Broadbelt, Louise Harvey, Maurice Battin, Margaret McLaughlin, and Edward Grey. Other members of the cast were: Robert Yunag, Deloris Brewer, Ann Crowley, and Jack Harbidge.

"Oh Doctor!"

AN OPERETTA in two acts, written by Estelle M. Clark and Palmer J. Clark, was presented by Marple-Newtown Senior High School on April 28th and 29th.

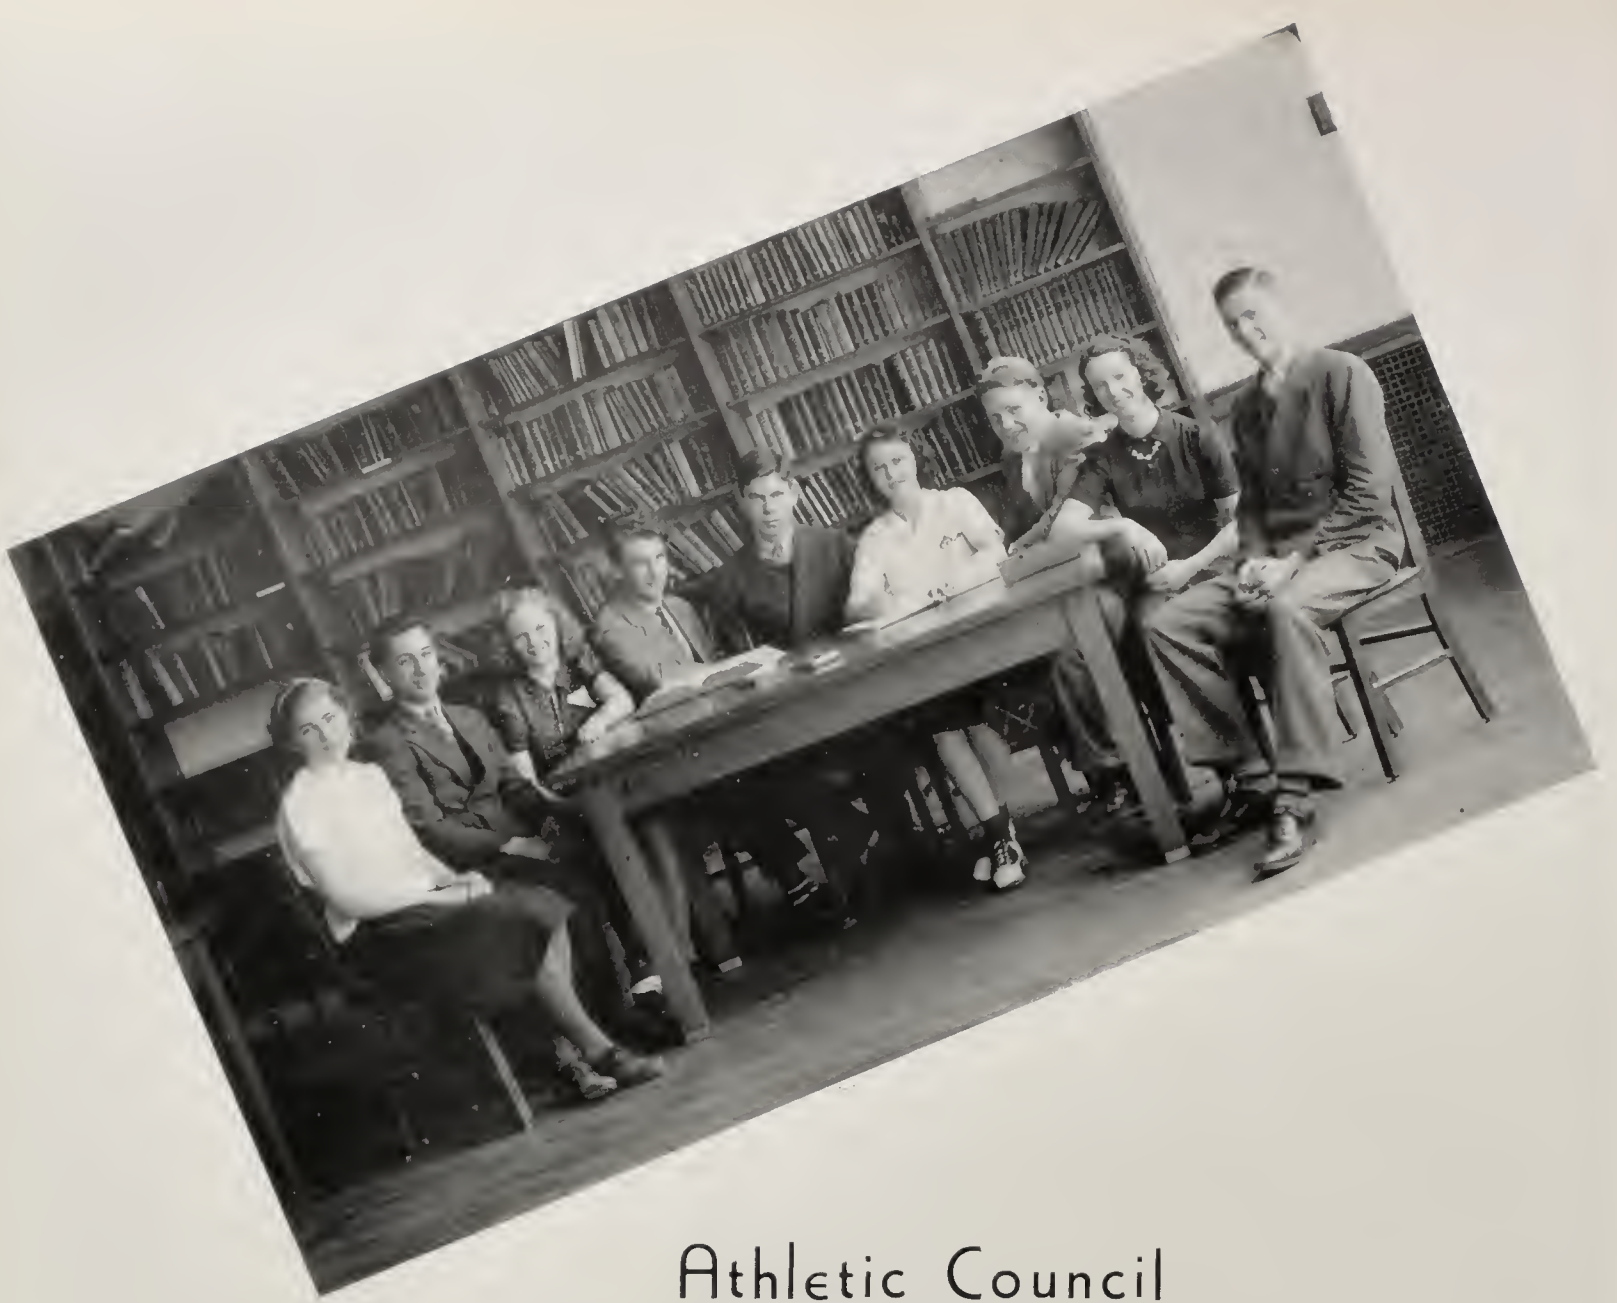

Honor (Louise Collier) came to the Drinkwater Sanitarium as proxy for Glory Drinkwater (Marjorie Burgess) to be with Glory's grandfather, Dr. Drinkwater (David Neff), on her twenty-first birthday. Glory's fiance, Bob (Umberto DiBonaventura), turned up at the sanitarium to spend his vacation; Glory came quickly, posing as a nurse, and wrote a letter for Honor to give Bob, which Honor lost and Rainbow (Edward Grey) found and caused much ado about it. Dr. Drinkwater hated Glory's mother because she was a play actress and Glory was one, too, and that is why she sent Honor as her proxy. Everything turns out well in the end for everyone concerned.

Others supporting the cast were: Helen Patton, Eleanor Hunter, Louise Harvey, Clara Reed, Donald McWade, Warren Hunter, Robert Doughten, Linda Jones, Jack Harbidge, James Toms, Henry Rich, Malcolm Watson, William Culbertson, Robert Kelly, and Ruth Samworth.

Added attractions were: The Conspirators', Rainbow, Ballet, and Morning Glory dances and solos by Grace Hill and Grace Moore, and a fast tap by Eleanor Hunter and Grace Moore.

Margaret McLaughlin this year completed four years as accompanist for the operettas.

Athletic Council

AMONG the year's accomplishments of the Athletic Council are:

(1) A drive for new members which induced about 60 per cent of our students to join. Although this was not so high a goal as expected, it was a great increase over the former number of members.

(2) The securing of police protection for all home football games will help keep order on the field, keep people behind the lines so they won't get hurt, and prevent non-payers from seeing the game.

(3) The establishment of concessions at home games to make profits for the A. A.

(4) The sponsoring of a bake given by the Junior High on April 15th. at which they made about seventy-five dollars.

(5) The promoting of a Junior High play, "Tom Sawyer," to be given May 26th.

The following are the members of the Council:

Senior Class: Edmund Broadbelt, President; Betty Murray, Secretary; James Toms. Alternates: Umberto DiBonaventura, Rebecca Reed, and Edward Wilson.

Junior Class: James Dilworth, Vice-President; Mary Wenger. Alternates: William Stroud and Linda Jones.

Sophomore Class: Byron Brown, Treasurer. Alternate: William Reed.

Freshman Class: Dorothy Yoder. Alternate: Anna Goodyear.

Eighth Grade: Charles Semerjian. Alternate: Robert Schalcher.

Seventh Grade: Lucille McIntire. Alternate: Elva Culbertson.

CHEER LEADERS

UNDER the leadership of Marjorie Burgess, our peppy cheerleaders had a very successful year. With the acquiring of several new sweaters, the cheerleaders were able for the first time, to go out on the field dressed alike, which gave a pleasing appearance.

Regardless of the score, our cheerleaders cheered unceasingly for the teams and although not always cheering them to victory, they did their best.

The cheerleaders included: Marjorie Burgess, Margaret McLaughlin, Ann Crowley, James Dilworth, Miriam Burgess, and Edna Doughten. The alternates were Eleanor Gorman, James Toms, Helen Patton, Robert David, George Toms, and Anna Goodyear.

FOOTBALL

EACH year seems to get better for the M.-N. footballers. This year, although still handicapped by being such a proportionately small school, the boys came through with three victories and five defeats, two of which were lost by one touch-down in the last few minutes.

After losing to Swarthmore and Sharon Hill, Coach Harvey shifted the team and they won the next two games with Schwenksville and Spring City by big scores. These were followed by two defeats by Nether-Providence and Glen-Nor, respectively.

Then came the annual Thanksgiving Day Classic when the boys overcame their old rival, Springfield, in a hard-fought battle in which the old M.-N. spirit came through with a 7-0 victory.

We feel sure that, with Byron Brown as captain next year, M.-N. will have an even better season for '39.

SUMMARY

- Dec. 1—The beginning of the basketball season found a large number of candidates for our varsity team. Only three lettermen, Wilson, Clements, and DiBonaventura returned. Coach Harvey found a great deal of new material.
- Dec. 20—In our opening game with Schwenksville, the starting lineup was: Neff and Wilson, forwards; Clements and DiBonaventura, guards; and Loomis, center. A zone defense was used, and M.-N. came out on top, 26 to 12.
- Jan. 3—A game was played against the Alumni, the proceeds to go to pay dues towards the P. I. A. A. A very good game ended in favor of the Alumni, 28-27.
- Jan. 6—Our first league game with Clifton Heights and a thriller, too! Clifton won by a close margin, 24-20. Wilson scored ten points.
- Jan. 10—Very little competition was found in Boothwyn. Every member of the first squad played. The final score was 44-30. Neff was high scorer with 20 points.
- Jan. 13—Our first crushing defeat was played on Friday, the 13th, with Nether-Providence, another league game ending 33-15.
- Jan. 17—The zone defense was dismissed and a man-to-man defense was used against Springfield in the third League game. Lost, 33-10.
- Jan. 20—Our fourth League game was played with a new fighting spirit after so many successive defeats, but Sharon Hill proved to be the better team. Score, 25-17.

BOYS' BASKETBALL

Jan. 25—Prospect Park visited our floor and took home a victory. Score, 28-18.

Jan. 27—By a score of 34 to 21 Yeadon won another League game on our floor.

Jan. 31—Clements became ineligible and Brown filled in his vacancy for the Spring City game which was lost, 33-20.

Feb. 3—A return league game was played with Clifton Heights on their floor. This was our most crushing defeat.

Feb. 10—Nether-Providence returned to our floor and were met by a new combination of Rich, Schneider, Neff, Wilson, and Brown. Another league game was lost, 26-10.

Feb. 14—A non-league game was played with Upper Merion. There was plenty of action to this game even though Marple-Newtown lost, 24-34.

Feb. 17—A second league game was played with Springfield on their floor. Although the M.-N. boys showed signs of superiority at times, the final score ended in favor of Springfield, 32-15.

Feb. 21—Boothwyn ventured to our floor and the Varsity easily took them over with an embarrassing score of 45-20. Rich scored 12 points with Neff and Schneider dropping 9 each.

Feb. 24—Sharon Hill's return league game on our floor showed much improvement in the M.-N. boys, who lost by a close score of 25 to 23. Wilson was high scorer with 8 points.

Feb. 28—Spring City's return game was not played in vain, because the Varsity showed more improvement even though they lost, 31-21. Neff scored 10 points.

Mar. 3—Our final game was with Yeadon on their floor. Although our boys fought hard, their effort seemed fruitless as the final score was 48-25, in favor of Yeadon.

Kiwanis tournaments. For our last game the boys made a poor showing, but these boys were hard to convince and they still had a punch flying when the final whistle blew, leaving us trailing, 44 to 11.

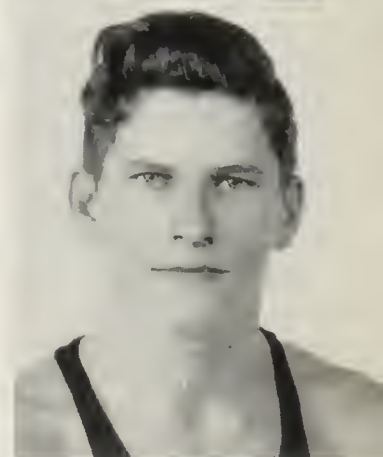

At the close of the season, class games were played, and the Sophomores proved to be the champs.

Henry Rich was chosen captain of next year's team.

SUMMARY

Dec. 5—In the first week in December when the call was issued for Varsity Basketball, a large number of girls responded. They included last year's lettermen who were Wenger, Wilds, and Jones. There were also McLaughlin, Burgess, Wallace, and many from the second team.

Dec. 20—Marple-Newtown met Schwenksville for a practice game and due to the lack of practice, Schwenksville won an easy 31-17 victory.

Jan. 3—The second game of the season our girls played the Alumnae whom they easily defeated, 26-14.

Jan. 13—Friday the 13th proved a jinx for our girls when, for the first time in years, we were defeated by Ellis College, 30-24. After the game, the first and second team girls were the guests of the Ellis College teams.

Jan. 17—In our first game away with Yeadon, the Varsity was again defeated, 29-19. The second team won their game.

GIRLS' BASKETBALL

Jan. 20—With a tie score at the half, it looked as if the girls would win their next game with Clifton; but a setback was handed to us, and in spite of a last quarter rally, Clifton took the game. Score, 29-25.

Jan. 27—The next game took place at Berwyn with Berwyn holding the larger half of a 52-52 score. Our second team showed its superiority to Berwyn.

Jan. 31—Our next home game with Spring City was won by Spring City, 30-17.

Feb. 5—Boothwyn, who was an easy opponent last year, proved to be very formidable by equalling our score last year, 52-18.

Feb. 7—Without any difficulty, the Varsity won over Ellis College with a score of 53-22 and the second team with a score of 27-12. Mary Wenger showed exceptional ability by scoring thirty points.

Feb. 10—Playing at home, Boothwyn handed Marple-Newtown a setback with a 44-11 score.

Feb. 16—Sharon Hill took revenge for previous defeats by winning, 28-9.

Feb. 21—Springfield was Marple-Newtown's next opponent. From the standpoint of Marple-Newtown's passing and shooting the game was good, but Springfield won, 23-14.

Feb. 28—The hardest fought and best game of the season was the last game at Spring City. At half-time Marple-Newtown held a 15-10 lead, but in the last minute of play, Spring City scored one point which spelled our doom, 26-25.

The team this year will lose only two girls: Marjorie Burgess and Margaret McLaughlin.

Linda Jones is the Captain-elect of next year's promising team.

Those who will receive letters this year are: Captain Wenger, Wilds, Burgess, McLaughlin, Jones, and Wallace.

BASEBALL

WHEN the basketball season was over, Mr. Harvey gave the annual call for baseball candidates. Many candidates reported, but only five lettermen remained from last year's team. With last year's outstanding battery of Wilson catching and Talbot and Brown pitching, we hope to have another successful season. Fred Chapin, a new boy from Connecticut, looks like a fine pitching prospect. The infield will be handled by MacLaren, Rich, David, Brown, Loomis, and Winters, the latter two also playing the outfield when needed. Charles Chapin and Jim Dilworth round out the outfield. The batting strength may be weak as the heavy artillery of Hill, Hancock, Reed, and Talbot left us last year.

Our squad faces a difficult schedule in the Suburban Four League. M.-N. finished second in this league in 1938.

At the close of this season Wilson, Winters, Grey, and Loomis bid farewell to M.-N.

So far this season M.-N. has won its first game, 4-1, over Prospect Park, but has lost to Nether-Providence, 10-2, Yeadon, 6-5, and Sharon Hill, 5-3.

Betty Murray—“What a silly question—How should I know?”

R. Wallace—“Did you see a blue sweater around here?”

D. McWade—“What color was it?”

Harry Pierce—“Stand on your head.”

Harold Niemeyer—“I can’t, it’s too high!”

M. Malloy—“Gee, I have a lot of electricity in my hair.”

P. O’Neill—“No wonder, it’s connected to a dry cell.”

H. Rich—“What is your favorite book?”

J. Harbidge—“My bank book, but even that’s lacking in interest now.”

Compliments of A Friend

Margaret McLaughlin's essay on men:

"Men are what women marry, they drink and smoke and swear but they don't go to church. Perhaps if they wore bonnets they would. They are more logical than women, also more zoological. Both men and women sprang from monkeys, but women sprang further than the men."

Joe Winters—"I'm sorry you think I'm conceited."

B. Yunag—"Well, no; I wouldn't say that; but I think you suffer a little from 'I' strain."

M. Watson—"Are you stag tonight?"

B. Culbertson—"Yes, I haven't any doe."

⊗

Bob David—"Hasn't he the sand to propose?"

L. Gorman—"Yes, but he hasn't the rocks to marry."

⊗

J. Gallagher—"I think it should be placed in the hands of a special committee."
